AGENCY: Import Administration, International Trade Administration, Department of Commerce

ACTION: Notice of extension of time limit for final results of five-year ("sunset") reviews

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the sunset reviews on the antidumping duty orders on solid urea from Armenia, solid urea from Belarus, solid urea from Estonia, solid urea from Lithuania, solid urea from Romania, solid urea from Russia, solid urea from Tajikistan, solid urea from Turkmenistan, solid urea from Ukraine, solid urea from Uzbekistan, color picture tubes from Canada, color picture tubes from Japan, color picture tubes from Korea (South), and color picture tubes from Singapore. Based on adequate responses from domestic interested parties and inadequate responses from respondent interested parties, the Department is conducting expedited sunset reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of dumping. As a result of this extension, the Department intends to issue its final results of its sunset reviews of these orders no later than August 30, 1999.

EFFECTIVE DATE: July 6, 1999.

Extension of Final Results

The Department has determined that the sunset reviews of the antidumping duty orders on solid urea from Armenia, solid urea from Belarus, solid urea from Estonia, solid urea from Lithuania, solid urea from Romania, solid urea from Russia, solid urea from Tajikistan, solid urea from Turkmenistan, solid urea from Ukraine, solid urea from Uzbekistan, color picture tubes from Canada, color picture tubes from Japan, color picture tubes from Korea (South), and color picture tubes from Singapore are extraordinarily complicated. In accordance with section 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). See section 751(c)(6)(C) of the Act. The Department is extending the time limit for completion of the final results of these reviews until not later than August 30, 1999, in accordance with section 751(c)(5)(B) of the Act.

Dated: June 29, 1999.
