SUPPLEMENTARY INFORMATORY:

I. Proposed Collection

Currently, the Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed revision of the "Point of Purchase Survey." A copy of the proposed information collection request (ICR) can be obtained by contacting the individual listed in the ADDRESSES section of this notice.

II. Background

The purpose of this survey is to develop and maintain a timely list of retail, wholesale, and service

establishments where urban consumers shop for specified items. This information is used as the sampling universe for selecting establishments at which prices of specified items are collected and monitored for use in calculating the Consumer Price Index (CPI). The survey has been ongoing since 1980 and also provides expenditure data that allow items that are priced in the CPI to be properly weighted.

III. Current Actions

Since 1997, the survey has been administered quarterly and entirely via a computer-assisted telephone interview, as opposed to the previous practice of an annual personal-visit interview. This revised collection methodology is more flexible and creates the possibility of introducing new products into the CPI in a timelier manner. Furthermore, the cost efficiency of telephone interviewing permits data collection in all sampling areas each year, rather than the previous practice of collecting data in only 20 percent of all sampling areas each year. The revised sample design results in an overall CPI market basket that is more reflective of the current prices encountered, and the establishments visited, by urban consumers.

Type of Review: Revision of a currently approved collection.

Agency: Bureau of Labor Statistics.

Title: Point of Purchase Survey.

OMB Number: 1220-0044.

Affected Public: Individuals and households.

Total Respondents: 17,827 (three-year annual average).

Total Responses: 67,200 annually.

Average Time Per Response: 11 minutes.

Estimated Total Burden Hours: 12,320 annually.

Total Burden Cost: (capital/startup): \$0.

Total Burden Cost: (operating/maintenance): \$0.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they also will become a matter of public record.

Signed at Washington, D.C., this 30th day of June 1999.

W. Stuart Rust, Jr.,
