#### **Miscellaneous Administrative Revisions**

**AGENCY:** National Aeronautics and Space Administration (NASA).

**ACTION:** Final rule.

**SUMMARY:** This final rule makes the following administrative changes to the NASA FAR Supplement (NFS): conform the current coverage on regulatory maintenance to reflect that the NFS is available from NASA only in electronic format; correct referenced addresses and document titles; correct section numbering; clarify that FAR 52.227-11, Alternate IV, is not used in NASA contracts; and correct an editorial error in a recent final rule.

**EFFECTIVE DATE:** July 7, 1999.

**FOR FURTHER INFORMATION CONTACT:** Tom O'Toole, NASA Headquarters, Code HK, Washington, DC 20546, telephone: (202) 358-0478; email: [thomas.otoole@hq.nasa.gov](mailto:thomas.otoole@hq.nasa.gov).

#### **SUPPLEMENTARY INFORMATION:**

##### **A. Background**

NASA has made the NFS available to the public on a subscription basis through the Government Printing Office. However, NASA has determined that it is more efficient and economical to provide the NFS only through electronic means. This approach ensures greater accuracy, wider dissemination, and immediate implementation of changes. The official NASA-maintained version of the NFS is available at <http://www.hq.nasa.gov/office/procurement/regs/nfstoc.htm>. In addition, the instructions in a recent final rule (64 FR 19925) revising NASA's MidRange procurement procedures directed revision of the second sentence of section 1871.602. The third, rather than the second, sentence should have been revised.

##### **B. Regulatory Flexibility Act**

This final rule does not constitute a significant revision within the meaning of FAR 1.501 and Pub. L. 98-577, and publication for comments is not required. However, comments from small business entities concerning the affected NFS coverage will be considered in accordance with 5 U.S.C. 610. Such comments may be submitted separately and should cite 5 U.S.C. 601, *et seq.*

##### **C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the changes to the NFS do not impose any recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
