[Docket No. RP99-355-000]

Baltimore Gas and Electric Company; Notice of Request for Limited Waiver

July 2, 1999.

Take notice that on June 28, 1999, pursuant to Rule 207(a)(5) of the rules and regulations of the Commission, 18 CFR 385.207(a)(5), Baltimore Gas and Electric Company (BG&E) tendered for filing a request for a 17-month Limited Waiver of the Commission's "shipper must have title" policy. BG&E asserts that the request addresses certain pipeline storage and transportation services that BG&E must retain to implement a gas supplier choice program for all customers on BG&E's system. Specifically, BG&E states that waiver of the "shipper must have title" policy is necessary for BG&E to maintain its pipeline storage capacity contracts and the associated no-notice flexibility, while simultaneously providing marketers with the

opportunity to purchase storage commodity for injection into their allocated portion of BG&E's pipeline storage.

BG&E requests that the Commission act on this request no later than July 30, 1999, so that the waiver may take effect on November 1, 1999, the date BG&E's expanded residential customer choice program becomes effective.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with §§ 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests should be filed on or before July 12, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
