BILLING CODE 6717-01-M

(National Fuel) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, Fourth Revised Sheet No. 457 and Second Revised Sheet No. 458, with a proposed effective date of August 1, 1999.

National Fuel states that the purpose of the instant filing is to comply with the Commission's Order No. 587-K issued April 2, 1999 in Docket No. RM96-1-011 (the Order). The Order amends § 284.10 of the Commission's Regulations to incorporate by reference the most recent standards, version 1.3 promulgated by the Gas Industry Standards Board on July 31, 1998. National Fuel's filing also indicates that a correction was also made to Fourth Revised Sheet No. 457 to remove the reference principles 1.1.17-1.1.19 since no other GISB principles are incorporated by reference in National Fuel's tariff, and since such incorporation is not required.

National Fuel states that copies of this filing were served upon its customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426 in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations.
