[Docket No. CP98-702-001]

Natural Gas Pipeline Company of America; Amended Application

July 8, 1999.

Take notice that on July 2, 1999, Natural Gas Pipeline Company of America (Natural), 747 E. 22nd Street, Lombard, IL 60148, filed an amendment to its application in Docket No. CP98-702-000 pursuant to Subpart A of part 157 of the Commission's Regulations. Natural is amending its original application to provide additional information.

On July 29, 1998, Natural filed under Section 7(b) to abandon by sale to MidCon Texas Pipeline Operator (an intrastate pipeline affiliate), the Sejita Lateral located in Duval and Jim Wells Counties, Texas. On February 1, 1999, the Commission issued an order approving Natural's abandonment of the Sejita Lateral by transfer to MidCon.¹ However, the Order found that MidCon's ownership and operation of the lateral would be subject to the Commission's jurisdiction. On March 3, 1999, Natural filed an Application for Rehearing and Request for Reconsideration.

In this filing Natural withdraws its request for rehearing and supplements its earlier abandonment application. Natural states that it has signed a letter of intent with PG&E Texas Pipeline, L.P., which contemplates the interconnection of the Sejita Lateral with another intrastate pipeline company and the processing of the lateral's volumes at a third party plant. Under this arrangement, all of the volumes currently flowing in the lateral would be diverted for processing and equivalent volumes would be redelivered on behalf of MidCon and its shippers to an existing interconnection with the other intrastate pipeline and Natural. Natural believes that this arrangement provides sufficient basis for a determination by the Commission that the Sejita Lateral will be non-jurisdictional after transfer to MidCon
