RIN 1121-ZB46

Fiscal Year 1999 Missing and Exploited Children's Program Plan

AGENCY: Office of Justice Programs,
Office of Juvenile Justice and
Delinquency Prevention, Justice.

ACTION: Announcement of Fiscal Year
1999 Missing and Exploited Children's
Program Plan.

SUMMARY: Notice is hereby given that
the Office of Juvenile Justice and
Delinquency Prevention (OJJDP) is
issuing its Missing and Exploited
Children's Program Final Program Plan
for Fiscal Year 1999.

DATES: Not applicable.

ADDRESSES: Not applicable.

FOR FURTHER INFORMATION CONTACT:

Ronald C. Laney, Director, Missing and
Exploited Children's Program, 202-616-
3637. [This is not a toll-free number.]

SUPPLEMENTARY INFORMATION: On March
8, 1999 at 64 FR 11366, OJJDP published
the Fiscal Year 1999 Missing and
Exploited Children's Program Proposed
Program Plan and Announcement of
Discretionary Competitive Grant and
requested public comments. Three
individuals wrote to comment on the
Proposed Plan. Two of them expressed
support for the plan, specifically
mentioning the proposal to prevent
computer-related sexual exploitation of
children. The third writer provided
comments on two specific topics. These
comments and the Office of Juvenile
Justice and Delinquency Prevention's
(OJJDP's) responses are summarized
below.

Comment: The writer asked that funds
"be earmarked for research into the
number of child support payors who
abduct children because visitation is
being refused."

Response: All fiscal year 1999 Missing
and Exploited Children's Program
(MECP) research funds are needed to
support the ongoing National Incidence
Studies of Missing, Abducted, Runaway,
and Thrownaway Children and the
Federal Bureau of Investigation's Child

Abduction and Serial Killer Unit
(CASKU) research project. However, the
writer's suggestion will be included for
consideration in future MECP research
planning.

Comment: The writer objected to
funding for CASKU, indicating that an
"independent research project in
academia would provide much more
scientific data."

Response: Because it involves
interviews of convicted sex offenders
and the need to make appraisals
regarding the truthfulness of those being
interviewed, this project requires
unrestricted access to law enforcement
records not normally available to
academia. CASKU has such access and
will be able to build on previous
research efforts through this project.

Based on consideration of these three
public comments, OJJDP has determined
that the Proposed Program Plan does not
need to be modified in any way.
Accordingly, the Proposed Plan as
published on March 8, 1999 at 64 FR
11366 is now the Final Program Plan for
Fiscal Year 1999.

Dated: July 9, 1999.

Shay Bilchik,

Administrator, Office of Juvenile Justice and
Delinquency Prevention.

BILLING CODE 4510-24-M

DEPARTMENT OF LABOR

Employment Standards Administration Wage and Hour Division

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR Part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C 276a) and of other Federal statutes referred to in 29 CFR Part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be

impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedes decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR Parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR Part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under The Davis-Bacon And Related Act," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, NW., Room S-3014, Washington, DC 20210.

Modifications to General Wage Determination Decisions

The number of decisions listed in the Government Printing Office document entitled "General Wage Determinations Issued Under the Davis-Bacon and Related Acts" being modified are listed by Volume and State.
