DEPARTMENT OF LABOR

Employment and Training Administration

Notice of Determinations Regarding Eligibility to Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of June, 1999.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-36,274; Dupont Newport, Holly Run Plant, Newport, DE
 TA-W-36,123; Irwin Research & Development, Yakima, WA
 TA-W-35,724 & A, B; IRI International, Headquartered in Houston, TX, Pampa, TX and Beaumont, TX

 TA-W-36,273 & A; McCulloch North America, Inc., Die Cast & Machining Operations, Lake Havasu City, AZ and Corporate Headquarters & Distribution Center, Tucson, AZ

Increased imports did not contribute importantly to worker separations at the firm.

TA-W-36,101; Dal-Tile Corp., Dallas Plant Die Shop, Dallas, TX

The investigation revealed that criteria (2) has not been met. Sales or production did not decline during the relevant period as required for certification.

TA-W-35,992; Bayer Corp., Baytown, TX

The investigation revealed that criteria (1) and criteria (2) have not been met. A significant number or proportion of the workers did not become totally or partially separated from employment as required for certification. Sales or production did not decline during the relevant period as required for certification.

TA-W-36,233; ADC Solitra, Inc., Hutchinson, MN

Company officials made a business decision to close its Hutchinson, MN facility and transfer production and employment to another domestic facility.

Blanch, Div. of Warnaco, New York, New York; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on June 1, 1999 in response to a worker petition which was filed on June 1, 1999 on behalf of workers at Blanch, a division of Warnaco, located in New York, New York.

An active certification covering the petitioning group of workers remains in effect (TA-W-35,700). Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, DC this 11th day of June, 1999.
