**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

FAR 15.408(f) and the clause at FAR 52.215-14, Integrity of Unit Prices, require offerors and contractors under Federal contracts that are awarded without adequate price competition to identify in their proposals those supplies which they will not

manufacture or to which they will not contribute significant value. The policies included in the FAR are required by section 501 of Public Law 98-577 (for the civilian agencies) and section 927 of Public Law 99-500 (for DOD and NASA). The rule eliminates reporting requirements on contracts with civilian agencies for commercial items.
