

contained in FCC Form 175 applications, as defined by 47 CFR 1.2105(b)(2), will not be accepted and may in some instances result in the dismissal of the FCC Form 175 application.

E. Post-Auction Procedures

102. *Down Payments and Withdrawn Bid Payments.* After bidding has ended, the Commission will issue a public notice declaring the auction closed, identifying the winning bids and bidders for each construction permit and listing withdrawn bid payments due.

103. Within ten business days after release of the auction closing notice, each winning bidder must submit sufficient funds (in addition to its upfront payment) to bring its total amount of money on deposit with the Government to 20 percent of its net winning bids (actual bids less any applicable bidding credits). See 47 CFR 1.2107(b). In addition, by the same deadline, all bidders must pay any withdrawn bid amounts due under 47 CFR 1.2104(g). (Upfront payments are applied first to satisfy any withdrawn bid liability, before being applied toward down payments.)

104. *Default and Disqualification.* Any high bidder that defaults or is disqualified after the close of the auction (i.e., fails to remit the required down payment within the prescribed period of time, fails to submit a timely long-form application, fails to make full payment, or is otherwise disqualified) will be subject to the payments described in 47 CFR 1.2104(g)(2). In such event the Commission may re-auction the construction permit to the next highest bidder (in descending order) at their final bids. See 47 CFR 1.2109(b) and (c). In addition, if a default or disqualification involves gross misconduct, misrepresentation, or bad faith by an applicant, the Commission may declare the applicant and its principals ineligible to bid in future auctions, and may take any other action that it deems necessary, including institution of proceedings to revoke any existing construction permits or licenses held by the applicant. See 47 CFR 1.2109(d).

105. *Refund of Remaining Upfront Payment Balance.* All applicants that submitted upfront payments but were not winning bidders for a Closed Broadcast Auction construction permit may be entitled to a refund of their remaining upfront payment balance after the conclusion of the auction. No refund will be made unless there are excess funds on deposit from that

applicant after any applicable bid withdrawal payments have been paid.

106. Bidders that drop out of the auction completely may be eligible for a refund of their upfront payments before the close of the auction. However, bidders that reduce their eligibility and remain in the auction are not eligible for partial refunds of upfront payments until the close of the auction. Qualified bidders that have exhausted all of their activity rule waivers, have no remaining bidding eligibility, and have not withdrawn a high bid during the auction must submit a written refund request which includes wire transfer instructions, a Taxpayer Identification Number ("TIN"), and a copy of their bidding eligibility screen print, to: Federal Communications Commission, Billings and Collections Branch, Attn: Regina Dorsey or Linwood Jenkins, 445 12th Street, S.W., Room 1-A824, Washington, D.C. 20554.

107. Bidders can also fax their request to the Billings and Collections Branch at (202) 418-2843. Once the request has been approved, a refund will be sent to the address provided on the FCC Form 159. Refund processing generally takes up to two weeks to complete. Bidders with questions about refunds should contact Linwood Jenkins or Geoffrey Idika at (202) 418-1995.
