

be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required, or if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for the Duke to appear or be represented at the hearing.

David P. Boergers,
Secretary.

[Docket No. GT99-62-000]

Granite State Gas Transmission, Inc.; Notice of Refund Report

July 20, 1999.

Take notice that on July 16, 1999, Granite State Gas Transmission, Inc. (Granite State) tendered for filing with the Commission a report of Gas Research Institute (GRI) refunds made to its customers.

Granite State states that it received a total refund of \$335,102.00 from GRI for over collections during 1998. Granite State says that it allocated the refund proportionately to its firm customers, Bay State Gas Company and Northern Utilities and made the refunds to them on July 7, 1999 by credit to the customers accounts.

Granite State also states that its report has been served on its customers and on the regulatory agencies of the states of Maine, Massachusetts and New Hampshire.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's rules and Regulations. All such motions or protests must be filed on or before July 27, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies

of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

David P. Boergers,
Secretary.

[Docket No. RP99-111-002]

Koch Gateway Pipeline Company; Tariff Filing

July 20, 1999.

Take notice that on July 16, 1999, Koch Gateway Pipeline Company (Koch) tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, the following tariff sheets, to become effective August 1, 1999:

Twenty-eighth Revised Sheet No. 20
Twenty-fifth Revised Sheet No. 21
Twenty-sixth Revised Sheet No. 22
Twenty-eighth Revised Sheet No. 24
First Revised Sheet No. 24A

Koch states that the purpose of this filing is to place the rates into effect related to the Offer of Settlement and Stipulation and Agreement resolving all aspects of Koch's costs of service and rate design in Docket No. RP99-111 which was approved by an Order issued July 14, 1999.

Koch also states that it has served copies of the instant filing upon each affected customer, interested state commissions, and other parties.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/>

[Docket No. CP99-583-000]

Portland Natural Gas Transmission System; Notice of Request Under Blanket Authorization

July 20, 1999.

Take notice that on July 14, 1999, Portland Natural Gas Transmission System (Portland Natural Gas), One Harbour Place, Portsmouth, New Hampshire 03801, filed in Docket No. CP99-583-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to add a delivery point near mile post 0.48 on the Newington lateral, for G-P Gypsum Corporation (G-P Gypsum) in Newington, New Hampshire. Portland Natural Gas makes such request under its blanket certificate issued in Docket No. CP96-249-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission. The filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Communications concerning this filing should be addressed to: J. Marc Teixeira, Vice President of Engineering and Operations, Portland Natural Gas Transmission System Operations Co., LLC, 603-427-2410.

Specifically, the proposed facilities will consist of approximately 235 feet of 4-inch pipe and a metering facility, that will extend from the existing tap at the Newington lateral to a meter station to be built by G-P Gypsum, which will house the proposed metering facility. Portland Natural Gas indicates that its tariff does not prohibit the installation of the proposed facilities, and that G-P Gypsum is providing all funding for the facilities required for the proposed delivery point, so there will be no cost to Portland Natural Gas or its existing customers. It is averred that G-P Gypsum, who is presently served by Northern Utilities, Inc., a local distribution company, has constructed for 4,000 Dt of IT service from Portland Natural Gas.
