**SUPPLEMENTARY INFORMATION:**

*Title:* USDA National Hunger Clearinghouse Survey.

*OMB Number:* 0584-0474.

*Expiration Date:* 5/31/99.

*Type of Request:* Renewal of OMB approval.

*Abstract:* Section 26 of the National School Lunch Act (42 U.S.C. 1769g(d)) (copy attached), which was added to the Act by section 123 of Pub. L. 103-448 on November 2, 1994, mandated that FNS enter into a contract with a non-governmental organization to establish and maintain an information clearinghouse (named USDA National Hunger Clearinghouse) for groups that assist low-income individuals or

communities regarding nutrition assistance programs or other assistance. FNS awarded the 4-year contract to World Hunger Year (WHY) on September 29, 1995; the contract ends on September 30, 1999.

Section 26 was amended by section 112 of Pub. L. 105-336 on October 31, 1998 (applicable amendatory language attached), to extend funding for the Clearinghouse through fiscal year (FY) 2003. FNS is in the process of conducting the necessary competitive procurement activities to award this new contract.

The USDA National Hunger Clearinghouse includes a database of non-governmental, grassroots programs that work in the areas of hunger and nutrition, as well as a mailing list of relevant local governmental agencies. Under the existing contract, Clearinghouse staff established the database by reviewing relevant programs of organizations contained in several existing mailing lists. Updated program and mailing information about organizations culled from these lists were collected and entered into the database once each year (years 1, 2, and 3 of the contract) through a series of electronically-processed survey questionnaires sent through the mail. Returned surveys were scanned and data entered into the database. Clearinghouse staff followed up by phone or fax to ensure the highest possible return rate on the questionnaires. Surveys may also be completed on the World Wide Web. The return rate on questionnaires under the existing contract was 7 percent in year 1 of the contract, 18 percent in year 2, and 27 in year 3.

In order to effectively maintain the database under the new contract, questionnaires will be sent to all organizations included in the database once each year (years 1 through 5 of the contract) in order to obtain updated information, and to add additional organizations to increase the size of the database.

Each survey will be administered to each respondent only once each year.

*Estimate of the Burden:* Public reporting burden for this collection of information is estimated to average 5 minutes for the survey (the survey includes one 2-page instrument).

*Respondents:* The respondents are non-governmental organizations that have grassroots food and nutrition programs.

*Estimated Number of Respondents:* For the first year of the contract, 1,850 respondents are estimated; and for years 2 through 5, 1,750 respondents.

*Estimated Number of Responses per Respondents:* One response in each of the 5 years.

*Estimated Total Annual Burden on Respondents:* For the first year of the contract, 154 hours; and for years 2 through 5, 146 hours. The estimated total burden for all 5 years of the contract is 738 hours.

Dated: June 18, 1999.
