May 1999 Sunset Reviews: Final Results and Revocation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of sunset reviews and revocation of antidumping duty order on oil country tubular goods from Israel (A-508-602) and the countervailing duty order on oil country tubular goods from Israel (C-508-601).

SUMMARY: On May 3, 1999, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty order and countervailing duty order on oil country tubular goods from Israel (64 FR 23596). Because the domestic interested parties have withdrawn, in full, their participation in the ongoing sunset reviews, the Department is revoking these orders.

EFFECTIVE DATE: January 1, 2000.

FOR FURTHER INFORMATION CONTACT: Martha V. Douthit or Melissa G. Skinner, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, D.C. 20230; telephone: (202) 482-3207 or (202) 482-1560, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 6, 1987, the Department issued an antidumping duty order on oil country tubular goods from Israel (52 FR 7000, as amended (53 FR 29370 (August 4, 1988)), and a countervailing duty order on oil country tubular goods from Israel (52 FR 6999 (March 6, 1987)). Pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), on May 3, 1999, the Department initiated sunset reviews of these orders by publishing notice of the initiation in the **Federal Register** (64 FR 23596). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most

current service list for these proceedings to inform them of the automatic initiation of sunset reviews on these orders.

In the sunset reviews of the antidumping and countervailing duty orders on oil country tubular goods from Israel, we received Notices of Intent to Participate from North Star Steel Ohio ("North Star") by the May 18, 1999 deadline (see § 351.218(d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("*Sunset Regulations*"). On June 22, 1999, North Star informed the Department that it intended to withdraw its Notices of Intent to Participate, explaining that it is no longer interested in participating in these reviews. As a result, the Department determined that no domestic party intends to participate in these sunset reviews and, on June 24, 1999, we notified the International Trade Commission that no later than August 2, 1999, we intended to issue final determinations revoking these orders.

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and § 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or order or terminating the suspended investigation. Because North Star withdrew its participation in these reviews and no other domestic interested party filed a Notice of Intent to Participate (see §§ 351.218(d)(1)(iii) and 751(c)(3)(A) of the *Sunset Regulations*), we are revoking these orders.

Effective Date of Revocation and Termination

Pursuant to section 751(c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to these orders entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping and countervailing duty deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response

to appropriately filed requests for review.

Dated: July 21, 1999.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Initiation of New Shipper Antidumping Duty Review.

SUMMARY: The Department of Commerce has received a request to conduct a new shipper review of the antidumping duty order on antifriction bearings (other than tapered roller bearings) and parts thereof from Germany. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended, and 19 CFR 351.214(d), we are initiating this new shipper review.

EFFECTIVE DATE: July 27, 1999.

FOR FURTHER INFORMATION CONTACT: Anne Copper or Richard Rimlinger, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0090 or (202) 482-4477, respectively.

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all references are made to the Department of Commerce's ("the Department") regulations at 19 CFR part 351 (1998).

Background

On May 25, 1999, the Department received a request from MPT Prazisionsteile GmbH Mittweider ("MPT") pursuant to section 751(a)(2)(B) of the Act, and in accordance with 19 CFR 351.214(b), for a new shipper review of the antidumping duty order on antifriction bearings (other than tapered roller bearings) and parts thereof from Germany with respect to ball bearings produced and exported by MPT. This order has a May anniversary month. Accordingly, we are initiating a new shipper review for MPT as requested.

The period of review is May 1, 1998, through April 30, 1999.

Initiation of Review

In accordance with 19 CFR 351.214(b)(2), MPT provided certification that it did not export ball bearings, or components thereof, to the United States during the period of investigation. MPT also certified that, since the investigation was initiated, it has never been affiliated with any exporter or producer who exported the subject merchandise to the United States during the period of investigation, including those not individually examined during the investigation. It also submitted documentation establishing: (i) The date on which the ball bearings, or components thereof, were first entered or withdrawn from warehouse and the date on which the subject merchandise was first shipped to the United States; (ii) the volume of that shipment; and (iii) the date of the first sale to an unaffiliated customer in the United States. Therefore, in accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on antifriction bearings (other than tapered roller bearings) and parts thereof from Germany with respect to ball bearings produced and exported by MPT. We intend to issue the final results of this review not later than 270 days after the day on which this new shipper review is initiated.

Germany: Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof, A-428-801 MPT Prazisionsteile GmbH Mittweider	5/01/98-4/30/99

Concurrent with publication of this notice and in accordance with 19 CFR 351.214(e), we will instruct the U.S. Customs Service to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by MPT until the completion of the review.

The interested parties must submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: July 21, 1999.
