

5. Deutsche Securities believes that the terms of the proposed transaction are reasonable and fair and do not involve overreaching on the part of any person, that the proposed transaction is consistent with the policy of each of the Trusts, and that the requested exemption is appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policies and provisions of the Act.

#### **Applicant's Conditions**

Deutsche Securities agrees that the order granting the requested relief will be subject to the following conditions:

1. Any investment company owning voting stock of any Trust in excess of the limits imposed by section 12(d)(1) of the Act will be required by the Trust's charter documents, or will undertake, to vote its Trust shares in proportion to the vote of all other Holders.

2. The trustees of each Trust, including a majority of the trustees who are not interested persons of the Trust, (i) will adopt procedures that are reasonably designed to provide that the conditions set forth below have been complied with; (ii) will make and approve such changes as rare deemed necessary; and (iii) will determine that the transactions made pursuant to the order were effected in compliance with such procedures.

3. The Trusts (i) will maintain and preserve in an easily accessible place a written copy of the procedures (and any modifications to the procedures), and (ii) will maintain and preserve for the longer of (a) the life of the Trusts and (b) six years following the purchase of any Treasuries, the first two years in an easily accessible place, a written record of all Treasuries purchased, whether or not from Deutsche Securities, setting forth a description of the Treasuries purchased, the identity of the seller, the terms of the purchase, and the information or materials upon which the determinations described below were made.

4. The Treasuries to be purchased by each Trust will be sufficient to provide payments to Holders of Securities that are consistent with the investment objectives and policies of the Trust as recited in the Trust's registration statement and will be consistent with the interests of the Trust and the Holders of its Securities.

5. The terms of the transactions will be reasonable and fair to the Holders of the Securities issued by each Trust and will not involve overreaching of the Trust or the Holders of Securities of the Trust on the part of any person concerned.

6. The fee, spread, or other remuneration to be received by Deutsche Securities will be reasonable and fair compared to the fee, spread, or other remuneration received by dealers in connection with comparable transactions at such time, and will comply with section 17(e)(2)(C) of the Act.

7. Before any Treasuries are purchased by the Trust, the Trust must obtain such available market information as it deems necessary to determine that the price to be paid for, and the terms of, the transaction are at least as favorable as that available from other sources. This will include the Trust obtaining and documenting the competitive indications with respect to the specific proposed transaction from two other independent government securities dealers. Competitive quotation information must include price and settlement terms. These dealers must be those who, in the experience of the Trust's trustees, have demonstrated the consistent ability to provide professional execution of Treasury transactions at competitive market prices. They also must be those who are in a position to quote favorable prices.

## **SECURITIES AND EXCHANGE COMMISSION**

### **Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (IAT Resources Corporation (Formerly The Producers Entertainment Group Ltd.), Common Stock, Par Value \$.001; Redeemable Common Stock Purchase Warrants Expiring June 11, 2001; and Series A 8½% Convertible Preferred Stock) File No. 1-12015**

July 21, 1999.

IAT Resources Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Boston Stock Exchange, Incorporated ("BSE" or "Exchange").

The Securities of the Company have been listed for trading on the BSE and have been designated for quotation on the Nasdaq SmallCap Market ("Nasdaq"). In making its decision to withdraw its Securities from listing and registration on the BSE, the Company considered the direct and indirect costs and expenses attached to maintaining the listing of such Securities on the BSE simultaneously with their designation for quotation on the Nasdaq. Moreover, the Company does not see any particular advantage in having its Securities trade in two markets.

The Company has complied with the rules of the BSE by filing with the Exchange a certified copy of the resolutions adopted by the Company's Board of Directors authorizing the withdrawal of its Securities from listing on the BSE and by setting forth in detail to the Exchange the reasons for the proposed withdrawal and the facts in support thereof.

The BSE has informed the Company that it has no objection to the withdrawal of the Company's Securities from listing on the Exchange.

The Company's application relates solely to the withdrawal of the Securities from listing and registration on the BSE and shall have no effect upon their continued designation for quotation on the Nasdaq. By reason of Section 12(g) of the Act and the rules and regulations of the Commission thereunder, the Company shall continue to be obligated to file with the Commission any reports required under Section 13 of the Act.

Any interested person may, on or before August 11, 1999, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the BSE and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.
