Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: National Fetal and Infant Mortality Review (FIMR) Program Evaluation—New

The Johns Hopkins Women's and Children's Health Policy Center, under

a cooperative agreement with the Maternal and Child Health Bureau (MCHB) of the Health Resources and Services Administration (HRSA) is conducting a national evaluation of the Fetal and Infant Mortality Review Program. FIMR is community based, aimed at guiding communities to identify and solve problems contributing to poor reproductive outcomes and infant health by using the sentinel event of an infant death to systematically examine a wide array of factors that are related to infant mortality. FIMR findings are used to stimulate policy development and quality improvement efforts. The purpose of this evaluation is to look at the effect of FIMRs and other community-level perinatal systems initiatives on health systems, with an eye toward characterizing the unique contributions of the FIMR model and process.

The main objectives of the FIMR evaluation are: (1) to compare the impact of FIMR on the health and related service systems for women, infants, and families with infants with that of other perinatal systems related initiatives, and (2) to compare the implementation of public health functions related to policies, programs, and practices for women, infants, and families with infants across a number of community systems initiatives. The study will utilize three survey instruments for data collection.

The estimated response burden is as follows:

Survey	Number of respondents	Responses per respondent	Total respondents	Hours per response	Total burden hours
FIMR	80	1	80	1.75	140
Local Health Dept	80	1	80	1.5	120
Perinatal Initiatives	160	1	160	1.25	200
Total			320		460

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Wendy A. Taylor, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: July 29, 1999.

Jane Harrison,
Director, Division of Policy Review and Coordination.
