

Cody, Wyoming 82414-0518. Telephone (307) 587-2216.

SUPPLEMENTARY INFORMATION: The Cody Field Office is responsible for off-road vehicle management which includes designation of roads for vehicular use and seasonal travel restrictions as described in the Cody Resource Management Plan (RMP), signed November 8, 1990. The Rattlesnake Mountain area has suffered resource damage due to uncontrolled motorized vehicle use of temporary logging roads. The purpose of this closure is to reduce resource damage to both public and private lands in the area. This order will aid in the rehabilitation of the logging roads and reduce resource damage caused by motorized vehicles.

The Rattlesnake Mountain area provides habitat for both summering and wintering deer and elk. Unrestricted motorized vehicle use has historically pushed both species onto the steeper side slopes of the mountain. Motorized vehicle use limited to designated roads will reduce the negative impacts on the wildlife.

The main trunk road on Rattlesnake Mountain (BLM #1207) passes through the following described BLM-administered public lands south and west of Trail Creek: Sixth Principal Meridian, Township 53 North, Range 103 West, sections 8, 9, 17, 21, 22, 23, 26, 35, and 36. The trail on the southeast face of Rattlesnake Mountain passes through Township 53 North, Range 102 West, sections 32, 33 and also Township 52 North, Range 102 West, West section 6. Authority to close roads and trails to motorized vehicle use is provided under 43 CFR 8341.2 (a and b), and 8364.1. Violations are punishable by a fine not to exceed \$1,000 and (or) imprisonment not to exceed 12 months.
