### Final Results of Expedited Sunset Review: Cotton Shop Towels From Pakistan

**AGENCY:** Import Administration, International Trade Administration, U.S. Department of Commerce.

**ACTION:** Notice of final results of expedited sunset review: cotton shop towels from Pakistan.

**SUMMARY:** On January 4, 1999, the Department of Commerce ("the Department") initiated a sunset review of the countervailing duty order on cotton shop towels from Pakistan pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of the domestic party, and inadequate response (in this case, no response) from respondent interested parties, the Department determined to conduct an expedited review. As a result of this review, the Department finds that revocation of the countervailing duty order would be likely to lead to continuation or recurrence of a countervailing subsidy. The net countervailable subsidy and the nature of the subsidy are identified in the Final Results of Review section to this notice.
