SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension:

Rule 17f-2(d), SEC File No. 270-36, OMB Control No. 3235-0028

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension on the following rule:

Rule 17f-2(d) was adopted on March 16, 1976, and was last amended on November 18, 1982. Paragraph (d) of rule (i) requires that records produced pursuant to the fingerprinting requirements of Section 17(f)(2) of the Securities Exchange Act of 1934 ("Exchange Act") be maintained, (ii) permits the designating examining authorities of broker-dealers or members of exchanges, under certain circumstances, to store and to maintain records required to be kept by this rule, and (iii) permits the required records to be maintained on microfilm.

The general purposes for Rule 17f-2 are: (i) To identify security risk personnel; (ii) to provide criminal record information so that employers can make fully informed employment decisions; and (iii) to deter persons with criminal records from seeking employment or association with covered entities.

Retention of fingerprint records, as required under paragraph (d) of the Rule, enables the Commission or other examining authority to ascertain whether all required persons are being fingerprinted and whether proper procedures regarding fingerprinting are being followed. Retention of these records for the term of employment of all personnel plus three years ensures that law enforcement officials will have

easy access to fingerprint cards on a timely basis. This in turn acts as an effective deterrent to employee misconduct.

Approximately 9,614 respondents are subject to the recordkeeping requirements of the rule. Each respondent keeps approximately 32 new records per year, which takes approximately 2 minutes per record for the respondent to maintain, for an annual burden of 64 minutes per respondent. All records subject to the rule must be retained for the term of employment plus 3 years. The Commission estimates that the total annual cost to submitting entities is approximately \$196,850. This figure reflects estimated costs of labor and storage of records.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th St., NW., Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: July 30, 1999.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Application To Withdraw From Listing and Registration; (Tektronix, Inc., Common Stock, No Par Value, and Attached Preferred Stock Purchase Rights) File No. 1-4837

August 2, 1999.

Tektronix, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Pacific Exchange, Inc. ("PCX" or "Exchange").

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

The Securities are currently listed for trading on the PCX and the New York

Stock Exchange ("NYSE"). In making the decision to withdraw its Securities from listing and registration on the PCX, the Company has considered all the direct and indirect costs and expenses arising from maintaining dual listings. The Company has determined that there is no particular advantage to having its Securities listed simultaneously on two exchanges and has accordingly sought to withdraw them from listing on the PCX and maintain their listing on the NYSE.

The Company has complied with the rules of the PCX by filing with the Exchange a certified copy of resolutions adopted by the Company's Board of Directors authorizing withdrawal of its Securities from listing on the PCX as well as correspondence setting forth in detail to the Exchange the reasons for such proposed withdrawal, and the facts in support thereof.

The Exchange has informed the Company that it has no objection to the withdrawal of the Company's Securities from listing on the PCX.

This application relates solely to the withdrawal by the Company of the Securities' listing on the PCX and shall have no effect upon the continued listing of such Securities on the NYSE. By reason of Section 12(b) of the Act and the rules and regulations of the Commission thereunder, the Company shall continue to be obligated to file reports under Section 13 of the Act with the Commission and the NYSE.

Any interested person may, on or before August 23, 1999, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.
