Regional Transmission Organizations; Order Granting Extension of Time

Issued August 5, 1999.

Before Commissioners: James J. Hoecker, Chairman; Vicky A. Bailey, William L. Massey, Linda Breathitt, and Curt Hebert, Jr.

On July 28, 1999, Cinergy Services, Inc. (Cinergy), on behalf of its operating companies, Cincinnati Gas & Electric Company and PSI Energy, Inc., filed a motion for an extension of time within which to submit initial comments in response to the Commission's Notice of Proposed Rulemaking to facilitate the formation of Regional Transmission Organizations, issued May 13, 1999, in this proceeding. Cinergy requests a one-week extension, from August 16, 1999 to August 23, 1999, to file initial comments in this proceeding in light of the unavailability of key management personnel due to recent severe heat throughout the Midwest and its effect on power supply and transmission system operations.

Upon consideration, we are persuaded that Cinergy has provided sufficient justification to grant an extension from August 16, 1999 to August 23, 1999 for the filing of initial comments by Cinergy and other interested persons. While we grant the motion, we nevertheless encourage all interested persons to file their initial comments as early as possible.

By the Commission.

Linwood A. Watson, Jr.,

Acting Secretary.
