Pilot Mortgage Program Proposed by the Federal Home Loan Banks of Cincinnati, Indianapolis, and Seattle

AGENCY: Federal Housing Finance Board.

ACTION: Notice.

Background

Pursuant to the procedures set forth in Federal Housing Finance Board (Finance Board) Resolution 97-70 (November 12, 1997), the Finance Board is publishing notice of receipt of an application from the Federal Home Loan Banks (FHLBanks) of Cincinnati, Indianapolis, and Seattle to initiate a pilot program. As specified in the procedures, the Finance Board will not act on the application during the 30-day notice period and will consider any comments received during the notice period before taking action.

SUMMARY: The Finance Board has under consideration a proposal submitted jointly by the FHLBanks of Cincinnati, Indianapolis and Seattle to initiate a pilot program to purchase mortgage loans from member financial institutions under a credit risk sharing

arrangement. Under the proposed Mortgage Purchase Program, or MPP, the FHLBanks could purchase fixed-rate, single family mortgages from member financial institutions subject to the establishment of a risk-sharing account designed to transfer a substantial portion of the credit risk to the member financial institution. In addition to the risk-sharing account, the member would further credit enhance the mortgage loans by providing supplemental mortgage insurance. The MPP is designed to provide member financial institutions with another alternative to selling mortgages in the secondary market, and the FHLBanks with a means to increase mission-related activities.
