Great Lakes Gas Transmission Limited Partnership; Notice of Proposed Changes in FERC Gas Tariff

August 12, 1999

Take notice that on August 10, 1999, Great Lakes Gas Transmission Limited Partnership (Great Lakes) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the tariff sheets listed on Appendix A of the filing.

Great Lakes states that these tariff sheets are being filed to comply with the

Commission's Order No. 587-I issued on September 29, 1998, in docket No. RM96-1-009. 84 FERC ¶ 61,328 (1998). In addition, Great Lakes requested a one-month extension, until October 1, 1999 to implement Internet nominations and scheduling as required by Order No. 587-I and the implementation schedule established by the Gas Industry Standards Board (GISB).

In Order No. 587-I, the Commission extended the deadline for the complete transition to Internet communications to June 1, 2000, but required pipelines to implement the transition according to the schedule established by the Gas Industry Standards Board (GISB). Under GISB's implementation schedule, each pipeline must offer the nomination and scheduling process through its Internet web site by September 1, 1999.

Great Lakes states that it is proposing the necessary revisions to its tariff to provide such capabilities. However, due to severe difficulties encountered in the last phases of Great Lakes' programming process, Great Lakes has determined that it will require an additional month for the implementation of Internet nominations and scheduling.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
