Certain Steel Concrete Reinforcing Bars from Turkey; Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a timely withdrawal of a request for a review by Colakoglu Metalurji A.S. and because the Department of Commerce has

determined that there were no entries of the subject merchandise made by Icdas Celik Enerji Tersane ve Ulasm Sanayi, A.S. during the period of review, we are rescinding the 1998-1999

administrative review of certain steel concrete reinforcing bars from Turkey.

EFFECTIVE DATE: August 18, 1999.

FOR FURTHER INFORMATION CONTACT: Shawn Thompson or Irina Itkin, AD/CVD Enforcement Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1776 or (202) 482-0656, respectively.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Act are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations codified at 19 CFR part 351 (1998).

Background

On April 30, 1999, Colakoglu Metalurji A.S. (Colakoglu) requested that the Department conduct an administrative review of the antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey for the period April 1, 1998, through March 31, 1999. Also on April 30, 1999, ICDAS Celik Enerji Tersane ve Ulasm Sanayi A.S. (ICDAS) requested that the Department conduct an administrative review for the period August 1, 1998, through March 31, 1999. No other interested party requested that the Department conduct an administrative review.

On May 28, 1999, the Department published in the **Federal Register** a notice of initiation of administrative review with respect to Colakoglu and ICDAS. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*; 64 FR 28973 (May 28, 1999).

On June 18, 1999, ICDAS informed the Department that it made no sales of subject merchandise to the United States during the period of review (POR). On August 9, 1999, Colakoglu withdrew its request for an administrative review.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of

the date of publication of notice of initiation of the requested review. Given that the review has not progressed substantially and there would be no undue burden on the parties or the Department, the Department has determined that it is reasonable to accept Colakoglu's withdrawal of request for review.

Pursuant to 19 CFR 351.213(d)(3), the Department will rescind an administrative review, in whole or in part, if it determines that there have been no shipments of subject merchandise during the POR. The Department has determined that no subject merchandise produced or exported by ICDAS entered into the United States for consumption during the POR and, thus, there are no entries subject to the review. Because ICDAS had no U.S. entries for consumption of covered merchandise during the POR, there is no basis for continuing this administrative review.

Therefore, the Department is rescinding this review. This rescission of the administrative review and notice are in accordance with section 751 of the Act and 19 CFR 351.213(d).

Dated: August 11, 1999.

Susan Kubbach,

Acting Deputy Assistant Secretary for Import Administration.
