Modification of the "Vegetable Protein Products" Requirements for the National School Lunch Program, School Breakfast Program, Summer Food Service Program and Child and Adult Care Food Program—Extension of Public Comment Period

AGENCY: Food and Nutrition Service, USDA.

ACTION: Proposed rule; extension of public comment period.

SUMMARY: The proposed rule entitled Modification of the "Vegetable Protein Products" Requirements for the National School Lunch Program, the School Breakfast Program, the Summer Food Service Program and the Child and Adult Care Food Program was published in the **Federal Register** (64 FR 38839-38844) on July 20, 1999. Public comments were requested to be postmarked on or before September 20, 1999. This action extends the public comment period to November 19, 1999. This extension gives the public additional time to analyze the provisions of the proposed rulemaking and to develop substantive comments which will assist the Department in modifying the requirements regarding "Vegetable Protein Requirements".

DATES: To be assured of consideration, comments must be submitted or postmarked on or before November 19, 1999.

COMMENTS: Comments may be mailed to: Mr. Robert M. Eadie, 3101 Park Center Drive, Alexandria, Virginia 22302. SUPPLEMENTARY INFORMATION:

Background

The Department published the proposed Modification of the "Vegetable Protein Products" Requirements for the National School Lunch Program, the School Breakfast Program, the Summer Food Service Program and the Child and Adult Care Food Program in the **Federal Register** (64 FR 38839-38844) on July 30, 1999. The Department provided a 60-day comment period. Commenters have indicated that the 60-day comment period is not enough to provide a thorough analysis and to develop detailed comments. Furthermore, since the rule was published in July, during summer break for many schools, the comment period would end at the beginning of the new school year, which would not provide school food service personnel adequate opportunity to review the rule and provide their comments.

The Department is eager to ensure that commenters have sufficient time to evaluate the proposal and to develop substantive comments. To achieve this end, the Department will continue to receive comments submitted or postmarked on or before November 19, 1999.

Dated: August 19, 1999.

George A. Braley,

Acting Administrator.
