Notice of Proposed Settlement; Solitron Devises, Inc. Riviera Beach Property, Palm Beach County, Florida

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement.

SUMMARY: Under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the United States Environmental Protection Agency (EPA) proposes to enter into a "Prospective Purchaser Agreement" (PPA) concerning property owned by Solitron Devises, Inc. (Solitron) in the City of Riviera Beach, Palm Beach County, Florida. EPA proposes to enter into the PPA with the National Land

Company (NLC), a real estate development company. The PPA concerns the acquisition by NLC of certain real property presently owned by Solitron in Palm Beach County, Florida.

The real property in question (the "Property") is located at 1177 Blue Heron Blvd., Riviera Beach, Florida and consists of approximately 8 acres. The Property is the subject of a Purchase and Sale Agreement between Solitron and NLC.

The PPA obligates NLC to cooperate fully with EPA in responding to hazardous substances located on the Property. Pursuant to the PPA, NLC will be protected from CERCLA liability, which may arise from their participation in the acquisition of the Property, as described above. The protection is contingent on NLC fulfilling the obligations enumerated in the PPA.

EPA will consider public comments on the proposed settlement for thirty (30) days. EPA may withdraw from or modify the proposed settlement should public comments disclose facts or considerations which indicate the proposed settlement is inappropriate, improper or inadequate.

Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, Waste Management Division, U.S. EPA, Region 4, Atlanta Federal Center, 61 Forsyth Street, S.W., Atlanta, Georgia 30303-3104.

Written comments may be submitted to Ms. Batchelor on or before September 27, 1999.
