

estimated cost of the construction and installation of the facilities would be approximately \$231,200. Interconn states that they would reimburse Southern for the cost of constructing and installing the proposed facilities.

Southern further states that it would transport gas on behalf of Interconn under its Rate Schedule IT. Southern reports that the installation of the proposed facilities would have no adverse effect on its ability to provide its firm deliveries.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If not protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

#### Tennessee Gas Pipeline Company; Notice of Compliance Filing

August 23, 1999.

Take notice that on August 18, 1999, Tennessee Gas Pipeline Company (Tennessee), P.O. Box 2511, Houston, Texas 77252, tendered for filing Second Substitute Ninth Revised Sheet No. 412 for inclusion in Tennessee's FERC Gas Tariff, Fifth Revised Volume No. 1. Tennessee requests that the revised tariff sheet be made effective August 1, 1999.

Tennessee states the revised tariff sheet is an errata correction for a tariff sheet submitted on August 6, 1999, in compliance with the Commission's July 23, 1999 Letter Order issued in Docket No. RP99-412 (July 23 Order). Tennessee states that in the July 23 Order, the Commission required Tennessee to file revised tariff sheets which separately identify as GISB Version 1.2 certain existing data sets.

Tennessee further states that in the August 6, 1999, compliance filing two of the twenty-three data sets were not correctly shown as GISB Version 1.2 and that the revised tariff sheet reflects the proper changes.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

#### Transcontinental Gas Pipe Line Corporation; Notice of filing

August 23, 1999.

Take notice that on August 18, 1999, Transcontinental Gas Pipe Line Corporation tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached thereto. The proposed effective date of the revised tariff sheets is October 1, 1999.

Transco states that the purpose of the instant filing is to revise Transco's tariff to update the negotiated rate authority contained therein to reflect developments in Commission policy relating to negotiated rates. Transco initially filed tariff sheets in Docket No. RP96-359 to establish the flexibility under its tariff to negotiate rates in accordance with the Commission's Statement of Policy on Alternatives to Traditional Cost-of-Service Ratemaking for Natural Gas Pipelines in Docket No. RM95-6-000, which tariff sheets were approved by the Commission. Since that filing, the Commission has further refined its negotiated rate policy in numerous individual pipeline

proceedings. Transco proposes herein to revise its tariff to reflect, among other things, those refinements in order to provide to Transco and its shippers the full range of flexibility to negotiate rates for service consistent with Commission policy.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call (202) 208-2222 for assistance).

#### Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff

August 23, 1999.

Take notice that on August 18, 1999, Transcontinental Gas Pipe Line Corporation (Transco), tendered for filing with the Federal Energy Regulatory Commission (Commission) Sixteenth Revised Sheet No. 28 to its FERC Gas Tariff, Third Revised Volume No. 1. The attached tariff sheet is proposed to be effective August 1, 1999.

Transco states that the purpose of the instant filing is track rate changes attributable to storage service purchased from Texas Eastern Transmission Corporation (TETCO) under its Rate Schedule X-28 the costs of which are included in the rates and charges payable under Transco's Rate Schedule S-2. The filing is being made pursuant to tracking provisions under Section 26 of the General Terms and Conditions of
