#### Program Enhancement Supplement of National Adoption Information Exchange

**AGENCY:** Administration for Children and Families (ACYF)—Children's Bureau, ACF, DHHS.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given concerning the intention of the Children's Bureau to award a noncompetitive supplement of the National Adoption Information Exchange (NAE) project of \$500,000 for an additional year—not to extend

beyond September 29, 2000 to the National Adoption Center, Philadelphia, Pennsylvania. This noncompetitive supplement will allow for the continuation of a current NAE in order to facilitate the adoption of children with special needs in preparation for full competition of an expanded effort in FY 2000.

On November 24, 1998, the President issued an Executive Memorandum to the Secretary of Health and Human Services, directing the Secretary to develop a plan to expand the use of the Internet as a tool for finding homes for children waiting to be adopted from the public child welfare system. The plan calls for an extensive consultation process with state social services agencies, courts, private agencies and other interested stakeholders, to identify and address important issues and strategies and build on promising existing efforts to create an effective national registry system.

The Administration on Children, Youth and Families is awarding this supplement until the expanded scope of the project has been established and all eligible organizations will have a fair and equitable opportunity to compete for the multiyear project. This will ensure that the project offered to the field for competition is the project described by the Executive Memorandum. It will also ensure that the successful applicant is the best qualified to perform the activities called for by the expanded scope.

**Authority:** The award will be made under the authority of the Adoption Opportunities Program, Title II of the Child Abuse Prevention and Treatment and Adoption Reform Act of 1978, as amended [42 U.S.C. 5111].
