RIN 2120-AA66

Amend Controlling Agency Title for Restricted Area R-7104, Vieques Island, PR

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action corrects the title of the controlling agency for Restricted Area R-7104 from "FAA, San Juan ARTCC," to "FAA, San Juan CERAP." This change is required to reflect the proper classification of the San Juan air traffic control facility.

EFFECTIVE DATE: 0901 UTC, November 4, 1999.

FOR FURTHER INFORMATION CONTACT: Paul Gallant, Airspace and Rules Division, ATA-400, Office of Air Traffic Airspace Management, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591; telephone (202) 267-8783.

SUPPLEMENTARY INFORMATION:

Background

The legal description for Restricted Area R-7104 incorrectly identifies the controlling agency as San Juan ARTCC. "ARTCC" applies to an FAA "air route traffic control center" which performs primarily en route air traffic control functions. The San Juan facility, instead, is a Combined Center/Radar Approach Control (CERAP) facility that performs the combined functions of an en route center and a terminal radar approach control. The proper title of the R-7104 controlling agency is "San Juan CERAP."

The Rule

This action amends 14 CFR part 73 by correcting the title of the controlling agency for Restricted Area R-7104, Vieques Island, PR, from "FAA, San Juan ARTCC," to "FAA, San Juan CERAP." This change is necessary to reflect the correct classification and function of that facility.

Since this administrative change will not alter the boundaries, altitudes or time of designation for Restricted Area R-7104, I find that notice and public procedure under 5 U.S.C. 553(b) are unnecessary.

Section 73.71 of part 73 was republished in FAA Order 7400.8F, dated October 27, 1998.
