COMMODITY FUTURES TRADING COMMISSION

Public Information Collection Requirement

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of intent to renew information collection 3038-0043—Rules relating to review of National Futures Association Decisions in Disciplinary, Membership Denial, Registration, and Member Responsibility Actions.

SUMMARY: The Commodity Futures Trading Commission is planning to renew information collection 3038-0043, Rules Relating to Review of National Futures Association Decisions in Disciplinary, Membership Denial, Registration, and Member Responsibility Actions, which is due to expire November 30, 1999. 17 CFR part 171 rules require a registered futures association to provide fair and orderly procedures for membership and disciplinary actions. The Commission's review of decisions of registered futures associations in disciplinary, membership denial, registration, and member responsibility actions is governed by Section 17(h)(2) of the Commodity Exchange Act, 7 U.S.C. Section 21(h)(2) (1994). The rules establish procedures and standards for Commission review of such actions, and the reporting requirements included in the procedural rules are either directly required by Section 17 of the Act or are

necessary to the type of appellate review role Congress intended the Commission to undertake when it adopted that provision.

In compliance with the Paperwork Reduction Act of 1995, the Commission solicits comments to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including the validity of the methodology and assumptions used;

(2) Evaluate the accuracy of the agency's estimate of the burden of the collection of information including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of the information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

DATES: Comments must be received on or before November 1, 1999.

ADDRESS: Persons wishing to comment on this information collection should contact the CFTC Clearance Officer, 1155 21st Street NW, Washington, DC 20581, (202) 418-5160.
