Individuals who use a telecommunications device for the deaf (TTY-TDD) may call (202) 565-2799 between 8:30 a.m. and 5:00 p.m. Eastern time, Monday through Friday.

Comments should be sent to the Office of Information and Regulatory Affairs, Attn: Mr. Danny Werfel, OMB Desk Officer for the Corporation for National and Community Service, Office of Management and Budget, Room 10235, Washington, DC 20503, (202)

395-7316, within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information to those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submissions of responses.

Type of Review: Existing collection in use without an OMB control number.

Agency: Corporation for National and Community Service.

Title: Program Development Assistance and Training (PDAT) Budget Form.

OMB Number: None.

Agency Number: None.

Affected Public: Sixty-eight entities (49 state commissions, 15 tribes and 4 territories).

Frequency: Annually.

Total Respondents: Sixty-eight respondents.

Average Time Per Response: Two Minutes.

Estimated Total Burden Hours: 2.25 hours.

Total Burden Cost (capital/startup): None.

Total Burden Cost (operating/maintenance): None.

Description: In the past, Program Development Assistance and Training (PDAT) Budget Information was requested informally without the form being proposed in this notice. As a result, the PDAT financial information submitted to the Corporation by applicants did not consistently provide the information that was requested. The Corporation anticipates that the use of the one-page budget form being proposed here will result in the submission of more complete PDAT-related financial information by the applicants.

Each year the Corporation seeks to collect PDAT budget information from the 49 state commissions, 15 tribes, and

four territories. The information that will be collected on the proposed one-page PDAT budget form will be used during the Corporation's annual review of PDAT applications. The proposed PDAT budget form will be useful to the Corporation in the PDAT application review process that leads to the allocation of PDAT funds to the 49 state commissions, 15 tribes, and four territories.

The **Federal Register** Notice dated May 1, 1998, incorrectly listed the Total Respondents as 48 rather than 68. Further, the Notice indicated that the average time per response as two hours rather than two minutes. These two errors have been corrected in this Notice.

Dated: August 27, 1999.

Thomas L. Bryant,

Associate General Counsel.
