request for registration for the use of the pyrrole insecticide, chlorfenapyr on cotton. As a part of the registration package, American Cyanamid Company submitted a probabilistic assessment. The Agency is seeking SAP input regarding: (1) American Cyanamid's probabilistic assessment and how it may be improved; (2) the Agency's review of the assessment; and (3) the utility of using this assessment to characterize the risk of chlorfenapyr use on cotton to birds in cotton agroenvironments.

IV. How Can I Request To Participate in this Meeting?

Members of the public wishing to submit comments should contact either Paul Lewis or Laura Morris at the address or the telephone number given under **FOR FURTHER INFORMATION CONTACT** to confirm that the meeting date and the agenda have not been modified or changed. Interested persons are permitted to file written statements before the meeting. To the extent that time permits, and upon advanced written request to either Paul Lewis or Laura Morris, interested persons may be permitted by the Chair of the SAP to present oral statements at the meeting. The request should identify the name of the individual making the presentation, the organization (if any) the individual will represent, and any requirements for audiovisual equipment (e.g., overhead projector, 35 mm projector, and chalkboard). There is no limit on the length of written comments for consideration by the Panel, but oral statements before the Panel are limited to approximately 5 minutes. The Agency also urges the public to submit written comments in lieu of oral presentations. Persons wishing to make oral and/or written statements should notify either Paul Lewis or Laura Morris and submit 40 copies of the summary information. The Agency encourages that written statements be submitted before the meeting to provide Panel Members the time necessary to consider and review the comments.

Electronic comments must be submitted as an ASCII file avoiding the use of special characters and any form of encryption. Comments and data also will be accepted on disks in WordPerfect in 5.1/6/7/8.0 file format or ASCII file format. Information marked CBI will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. An edited copy of the comment that does not contain the CBI material must be submitted for inclusion in the public docket. Information not marked confidential will be included in the public docket.
