International Trade Commission

[Investigation No. 337-TA-416]

Certain Compact Multipurpose Tools; Notice of Issuance of General Exclusion Order and Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that, having found violations of section 337 of the Tariff Act of 1930 as amended (19 U.S.C. 1337), the U.S. International Trade Commission has issued a general exclusion order under section 337(d) (19 U.S.C. 1337(d)) and has terminated the investigation.

FOR FURTHER INFORMATION CONTACT: P.N. Smithey, Office of the General Counsel, U.S. International Trade Commission, telephone 202-205-3061. General information concerning the Commission also may be obtained by accessing its Internet server (<http://www.usitc.gov>). Hearing-impaired individuals can obtain information concerning this matter by contacting the Commission's TDD terminal at 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission conducted the subject investigation to determine whether there is a violation of section 337 of the Tariff Act of 1930 as amended (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain compact multipurpose tools that allegedly infringe claims of four U.S. design patents. The complainant was the patent owner, Leatherman Tool Group, Inc. Six firms were named as respondents: Suncoast of America, Inc.; Quan Da Industries; Kumasama Products Co., Ltd.; Jiangsu Hongbao Group, Corp.; SCIKO Chinalight, Ltd.; and Charles Amash Imports, Inc., d/b/a Grip On Tools. Grip On and Suncoast were terminated from the investigation on the basis of consent orders. The Commission found Jiangsu, Kumasama, Quan Da, and SCIKO to be in default in light of their failure to answer the complaint and notice of investigation in the manner prescribed by the Commission's rules and their failure to respond to orders directing them to show cause why they should not be found in default. By granting the complainant's motions for summary determination on various issues, the Commission determined that the latter four respondents violated section 337.¹

The remaining issues for the Commission to decide were (1) the appropriate remedy for the aforesaid violations, (2) whether the statutory public interest factors precluded such relief, and (3) the amount of the bond during the Presidential review period under section 337(j).² In making those determinations, the Commission was required to take into account the presiding administrative law judge's recommended determination (RD) on permanent relief and bonding under 19 CFR 210.42(a)(2), as well as any written submissions from parties, the public, or other Federal agencies.³ The Commission solicited but did not receive submissions from other agencies or members of the public.⁴ Complainant Leatherman and the Commission investigative attorney each filed a written submission on remedy, the public interest, bonding, and the RD.

After considering the RD and the parties' submissions, the Commission determined that a general exclusion
