

CFR 1610.7-2(b)). One such area relating to the management of long-billed curlew and mountain plover habitat on Chapman Bench is addressed in the EA. Comments should be directed to Bob Ross, BLM Planning Coordinator, Worland Field Office, P.O. Box 119, Worland, Wyoming 82401-0119.

FOR FURTHER INFORMATION CONTACT: Bob Ross, BLM Planning Coordinator, 101 South 23rd Street, Worland, WY 82401, (307) 347-5178, or the Cody Field Office, 1002 Blackburn Avenue, Cody, WY 82414, at (307) 587-2216. Requests for copies of the EA should be made to either office.

SUPPLEMENTARY INFORMATION: The BLM's Preferred Alternative is a proposed amendment to the Cody Resource Management Plan to incorporate the former BOR withdrawn lands into the RMP and apply the appropriate existing BLM planning decisions to their management. Currently, the lands are closed to the operation of the public land laws, including land sales and exchanges, and the staking and development of mining claims. There is also a moratorium on Federal mineral leasing on the lands until the BLM planning decisions for them are in place. The proposed RMP amendment would allow most of the lands to be opened to these potential actions and uses. Existing uses, such as livestock grazing, hunting and fishing, and other types of recreation would continue.

If any protests are received on the proposed amendment, these will be resolved by the BLM Director. Next, the EA will be revised if necessary and a Decision Record will be issued with a description of the comments and (or) protests on the proposed decisions, along with an explanation of how the comments and (or) protests were answered. The Decision Record will incorporate additional or changed land-use planning decisions, as needed, in amending the Cody RMP.

The September 14 open house to discuss the EA and Preferred Alternative has been announced in letters to interested parties on the Cody Field Office mailing list and in local and statewide media releases. The open house will be held at the Cody Field Office.

Comments, including names and street addresses of respondents will be available for public review at the Worland Field Office, 101 South 23rd Street, Worland, Wyoming, and at the Cody Field Office, 1002 Blackburn Avenue, Cody, Wyoming, during regular business hours (7:30 a.m. to 4:30 p.m.) Monday through Friday, except

holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.
