##### Holliday Historic Restoration Associates; Notice of Availability of Final Environmental Assessment

September 2, 1999.

A final environmental assessment (FEA) is available for public review. The FEA is for an application for the Holliday Project (FERC No. 10867) to amend the license to modify Article 405 pertaining to trashrack spacing and to operate the project in accordance with a "Revised Plan of Operation" dated

April 30, 1998. The project is located on the West Fork of the White River in Noblesville, Hamilton County, Indiana. The FEA finds that approval of the application would not constitute a major federal action significantly affecting the quality of the human environment.

The FEA was written by staff in the Office of Hydropower Licensing, Federal Energy Regulatory Commission. Copies of the FEA are available for review in the Commission's Public Reference Branch, Room 2A, 888 First Street, NE, Washington, DC 20426 or by calling (202) 208-1371.
