Proposed Information Collection and Request for Comments

September 3, 1999.

AGENCY: Federal Energy Regulatory Commission.

ACTION: Request for Office of Management and Budget Emergency Processing of proposed information collection and request for comments.

SUMMARY: In compliance with the requirements of Section 3507(j)(1) of the Paperwork Reduction Act of 1995 (Pub. L. No. 104–13), and 5 CFR 1320.13 of the Office of Management and Budget (OMB) regulations, the Federal Energy Regulatory Commission (Commission) is providing notice of its request to OMB for emergency processing of a proposed collection of information request on the specific aspects of the information collection described below. OMB approval has been requested by September 8, 1999. A copy of this information collection request (ICR), with applicable supporting documentation, may be obtained by calling the Commission's Information Clearance Officer, Michael Miller at (202)208–1415. Comments and questions about the ICR listed below should be directed to the Office of Information and Regulatory Affairs, Attn: FERC Desk Officer, Office of Management and Budget, Room 10202 NEOB, Washington, D.C. 20503.

Agency: Federal Energy Regulatory Commission.

Title: Pilot Project for Electronic Filing of Documents.

OMB Number: 1902–new.

Frequency: Monthly.

Affected Public: Business or other for profit; State, Local or Tribal Governments.

Number of Respondents: 100.

Estimated Time Per Respondent: 20 minutes.

Total Burden Hours: 150.

Description: The challenges facing the Commission over the next few years are substantial, particularly in light of the changing and more competitive electric and gas industries. To ensure that the Commission's decisions are based on accurate, complete and timely information, an information technology initiative was developed to create a comprehensive information management system to minimize filing burdens, generate better information for use by industries and reduce the
