[Docket No. RP99-499-000]

**East Tennessee Natural Gas Company; Notice of Tariff Filing**

September 8, 1999.

Take notice that on September 1, 1999, East Tennessee Natural Gas Company (East Tennessee), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, original and revised tariff sheets pertaining to its pro forma Electronic Data Interchange (EDI) Trading Partner Agreement (TPA).

East Tennessee States that this filing will remove its existing pro forma EDI TPA and instead incorporate the Model TPA of the Gas Industry Standards Board (GISB) which GISB filed with the Commission on November 3, 1998 (November 3, 1998 Model TPA). Additionally, the filing will modify East Tennessee's Agency Authorization Agreement for EDI to list the relevant data sets and include space for additional GISB data sets.

East Tennessee further states that the purpose of these changes is to reduce the number of material deviation filing that East Tennessee would be required to file under 18 CFR 154.1(d).

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
