Committee for the Implementation of Textile Agreements

September 13, 1999.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: Pursuant to section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; and the Bilateral Textile Agreement of July 22, 1998, between the Governments of the United States and Ukraine, you are directed to prohibit, effective on January 1, 2000, entry into the United States for consumption and withdrawal from warehouse for consumption of wool textile products in the following categories, produced or manufactured in Ukraine and exported during the twelve-month period beginning on January 1, 2000 and extending through December 31, 2000, in excess of the following levels of restraint:

Category	Twelve-month limit
435	93,740 dozen.
442	15,606 dozen.
444	67,626 numbers.
448	67,626 dozen.

The limits set forth above are subject to adjustment pursuant to the current bilateral agreement between the Governments of the United States and Ukraine.

These limits may be revised if Ukraine becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Ukraine.

Products in the above categories exported during 1999 shall be charged to the applicable category limits for that year (see directive dated November 3, 1998) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,
