E. Document Content Standards

The Commission Staff will place some limitations on the content of electronic documents submitted as part of the pilot. Such documents will have to meet at least the following criteria:

1. Documents must be submitted as a single file, which is neither zipped nor compressed.
2. Documents must be submitted in connection with a proceeding that has a single Docket Number, or is the lead docket in a consolidated case.
3. The file size must be less than five megabytes.
4. Documents must not contain auto-text (such as "date") or macros that may change the document in any way after submission.
5. Documents must not contain hyperlinks to external documents, except to the Commission's CIPS and RIMS systems as long as the text also contains a regular, full citation to the referenced document.
6. All documents submitted electronically in connection with the pilot will be public. Non-public or proprietary documents and data may not be submitted electronically as part of the pilot.

All participants should note that the above technical requirements are subject to change. The Commission Staff will post any updates to the requirements for the pilot on the Website and encourages participants to check regularly for possible changes.

F. Additional Contacts

Help lines (202-208-0258, 202-208-2222 and 202-208-1371) for technical assistance or questions about the pilot program are staffed during the Commission's official business hours (8:30 a.m. to 5:00 p.m. Eastern time). Users needing help or information also are encouraged to send an E-Mail to efiling@ferc.fed.us.

V. Paperwork Reduction Act

No person shall be subject to any penalty for failing to comply with this collection of information if the collection of information does not display a valid control number. 44 U.S.C. 3512.
