Pesticide Tolerance Processing Fees; Reopening of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; Reopening of comment period.

SUMMARY: On June 9, 1999, EPA issued a proposed rule to revise and update its current tolerance processing fee regulation and provided 90 days for public comment. The comment period would have ended September 7, 1999. Due to the economic complexity of the proposal and the associated issues the Agency has decided to reopen the comment period for an additional 45-day period. In addition, the Agency is announcing in this notice the placement in the public docket for this proposed rule of two additional documents. It is EPA's hope that these documents will help the public better understand the calculations that went into deriving the proposed fees, and how the Agency perceives the waiver process working.

DATES: Comments on the proposed rule, identified by docket control number OPP-30115A, must be received on or before November 8, 1999.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I.C. of the "SUPPLEMENTARY INFORMATION" section. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPP-30115A in the subject line on the first page of your response.
