Consolidated Papers, Inc., Niagara  
Division, Niagara, WI; Notice of  
Affirmative Determination Regarding  
Application for Reconsideration

By application dated July 27, 1999, the company requested administrative reconsideration of the Department's negative determination regarding worker eligibility to apply for trade adjustment assistance (TAA) and North American Free Trade Agreement-Transitional Adjustment Assistance (NAFTA-TAA). The denial notices applicable to workers of the subject firm located in Niagara, Wisconsin, were signed on June 7, 1999 and published in the **Federal Register** on June 30, 1999 (64 FR 35183) and (64 FR 35185), respectively.

The company has provided a list of additional declining customers.

## Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 10th day of September, 1999.

Adjustment Assistance.*

Dynegey, Inc., Houston, TX; Notice of  
Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on August 23, 1999 in response to a worker petition which was dated June 14, 1999, and filed on behalf of workers at Dynegey, Inc., Houston, Texas.

Further review of the petition shows that it does not comply with the requirements of 29 CFR 90.11. In summary, 29 CFR 90.11 specifies that a petition may be signed by at least three individuals of the petitioning worker group. In this case, the three petitioners were employed in different subdivisions of Dynegey and are therefore members of separate worker groups. Only a union representative or a company official may file a petition on behalf of all workers of a firm.

Therefore, this petition is deemed invalid, and the investigation has been terminated.

Signed in Washington, DC, this 10th day of September 1999.
