Federal Aviation Administration

Agency Information Collection Activity Under OMB Review

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for extension of currently approved collections. The ICR describes the nature of the information collection and its expected burden. The **Federal Register** notice with a 60-day comment period soliciting comments on the following collection of information was published on May 6, 1999, [FR 64, page 24447].

DATES: Comments must be submitted on or before October 27, 1999. A comment to OMB is most effective if OMB receives it within 30 days of publication.

FOR FURTHER INFORMATION CONTACT: Judy Street on (202) 267–9895.

SUPPLEMENTARY INFORMATION:

Federal Aviation Administration (FAA)

Title: Application for Employment with the Federal Aviation Administration.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 2120–0597.

Form(s): FAA Form 330.76.

Affected Public: Estimated 50,000 people who may apply for employment with the FAA.

Abstract: PL 104–50 gave the FAA the authority to create its own personnel system, and therefore, no longer use the family of forms created by the Office of Personnel Management for automating the employment process. The FAA is creating its own family of employment forms to be used to automate the evaluation of applications in order to provide faster and better service to the public in responding to job requests. The forms will be used to collect information which will be used to evaluate the qualifications of applicants for a variety of positions with the Federal Aviation Administration.

Estimated Annual Burden Hours: 75,000 burden hours.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725–17th Street, NW.,

Washington, DC 20503, Attention: FAA Desk Officer.

Comments Are Invited On: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department’s estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on September 20, 1999.

Steve Hopkins,

Manager, Standards and Information Division, APF–100.
