

from the participant's segregated account. At the same time, the restricted portion of the securities will be sent to the destination specified by the depositing participant in its original RDSP instruction. That is, the restricted securities will either be made available for pick-up by the participant, mailed directly to the registered holder, or deposited into DTC's Custody Service for the account of the depositing participant.

Additionally, the service will accommodate certificate denomination breakdowns for restricted securities, transfer agent approval of reregistrations of restricted securities (e.g., "gifting," transactions, where the restricted security may be registered into the name of the spouse of the original owner), and reregistrations of unrestricted securities into Cede & Co's name once the restriction is lifted.

## II. Discussion

Section 17A(b)(3)(F) of the Act requires that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible. The Commission finds that the proposed rule change is consistent with these obligations. The proposed rule change should facilitate the efficient processing of partial and full sale of restricted securities where the applicable restriction has been lifted by or on behalf of the issuer by streamlining the mechanics of the physical process that currently occurs outside of DTC. In addition, the Commission finds the new service is being implemented in a manner which should not affect DTC's ability to safeguard securities and funds in its custody or control or for which it is responsible.

## III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular with Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-DTC-99-10) be and hereby is approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.<sup>9</sup>
