## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Substance Abuse and Mental Health Services Administration

#### Call for Public Comment: Changing the Conversation—A National Plan To Improve Substance Abuse Treatment

**AGENCY:** Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration, DHHS.

**ACTION:** Request for public comment on five issues (domains) of concern to the substance abuse treatment field when assessing substance abuse treatment.

**SUMMARY:** This notice announces that the Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Treatment (CSAT) is formally inviting public comment on five issues (domains) that are of concern to the substance abuse treatment field and require development and exploration. Via several mechanisms, including public hearings, CSAT intends that findings from the exploration of individual domains will ultimately be synthesized into a coherent national strategy to guide substance abuse treatment program and policy development for the future. Individuals and organizations are encouraged to comment in one of several ways: (1) In writing, by submission through the U.S. Mail or courier service; (2) via the National Treatment Plan web site (<http://www.NaTxPlan.org>); or (3) in person at one of the remaining two public hearings scheduled at locations across the country. The final cutoff date for comments is December 1, 1999. This notice discusses the public hearings at which interested individuals/organizations may testify regarding the five substance abuse treatment domains discussed below.

**DATES/LOCATIONS:** In addition to the public hearings held on July 8 in Hartford, Connecticut; September 16 in Chicago, Illinois; and October 18 in Washington, DC, CSAT plans to conduct two more public hearings in 1999—October 26 in Portland, Oregon, and November 8 in Tampa, Florida. The next hearing will be held at The Portland Building, 1120 S.W. Fifth Avenue, Meeting Room C-Second Floor, Portland, Oregon 97204, on October 26, 1999, between the hours of 8:30 a.m. and 5:00 p.m. Specific details regarding subsequent hearings will be published in the **Federal Register** approximately one month prior to each hearing.

Requests to testify at the Portland, Oregon, public hearing must be submitted to the addressee indicated below by October 20, 1999. Seating is limited. In the event that interpretive services for the hearing-impaired are required, please indicate these special needs to the addressee.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information regarding the hearing and/or testimonies, as well as requests to testify must be addressed to: Carol Coley, [Tele: (301) 443-6539; e-mail: [ccoley@samhsa.gov](mailto:ccoley@samhsa.gov); Fax: (301) 443-

8345], Center for Substance Abuse Treatment, SAMHSA, Rockwall II Building, Suite 880, 5600 Fishers Lane, Rockville, Maryland 20857.

Written comments (without a request to personally testify) will also be accepted by the above addressee. Written testimonies are limited to five (5) typed pages using 1.5 line spacing and 12 point font.

#### SUPPLEMENTARY INFORMATION:

##### Background

Building on recent advances and studies, CSAT has initiated plans to focus on how to apply its extensive knowledge to the practical objective of improving treatment outcomes. The plans include synthesizing current knowledge and recommendations about treatment, service systems, application of best practices, diffusion methods, and organization and financing of substance abuse treatment services. Federal Government and outside experts, as well as the interested public, will explore the current state of the knowledge, resources, needs, and service and organizational capacity. The objective is the culling of priorities for action by the government and by others in the substance abuse treatment field. As noted above, CSAT is inviting the public to comment on five domains as part of the initial step of the plan. The domains, as well as some initial questions for exploration, include:

##### (1) Closing the Treatment Gap

Where are the gaps? How big are they for different populations? For different types of settings and treatment modalities? How big are gaps in other related systems of care, e.g., welfare, child welfare, housing? What are the policy, organization, and financing issues that must be addressed in the private and public systems, including Medicaid and Medicare, to close the treatment gap?

##### (2) Reducing Stigma and Changing Attitudes

What are the nature, causes and consequences of addiction stigma? What can CSAT, the treatment field, consumers and families do to address stigma related to addiction, substance abuse treatment and individuals with substance abuse disorders? How do other stigmas impact/compound the stigma of addiction?

##### (3) Improving and Strengthening Treatment Systems

What are the clinical and organizational challenges facing treatment organizations in the public and private sectors? What can CSAT,
