This Notice also lists the following
information:

Title of Proposal: Appraisals of FHA-
Insured Single Family Properties Forms.

OMB Control Number, if applicable:
2502-0538.

*Description of the need for the
information and proposed use:* The
information collection is essential so
that HUD can ensure that appraisals of
HUD-insured single family properties
are conducted by individuals who are
qualified, trained and knowledgeable in
the real estate appraisal field and that
the appraisals of HUD-insured single
family properties or prospective insured

properties are thorough and independent.

(1) Each individual seeking to become an FHA approved appraiser must submit Form HUD-92563 "Roster Designation Application" and a copy of the individual's state licensing and/or state certification documentation. HUD has recently established the requirement that each applicant must also pass a HUD/FHA Appraisal Examination.

The HUD-92563 has been modified to reflect the examination requirement. The revised form also requests information on geographic areas of practice. In addition, applicants must certify that they will comply with HUD Handbook 4150.2, Valuation Analysis for Home Mortgage Insurance for Single Family One- to Four-Unit Dwellings, and other directives relating to appraisals and authorize HUD to inspect the appraiser's files. The revised form also sets forth several warnings of possible sanctions for presenting false or fraudulent statements.

(2) Each FHA approved appraiser will conduct an appraisal of FHA-insured, or prospective FHA-insured single family properties, using the Uniform Residential Appraisal Report (URAR), and HUD-92564, Valuation Condition Sheet (VC Sheet).

The appraiser will also prepare for the homebuyer HUD-92564-HS, Homebuyer Summary. This document is a summary of the appraiser's observations of the property visited, including problems rendering the property unacceptable for FHA mortgage insurance.

The lender must also ensure that the prospective homebuyer has received a HUD-92564-CN, a consumer notice explaining the importance of obtaining a home inspection. The name of the buyer has replaced that of the seller in the latest version of this form to avoid confusion.

The estimated number of respondents is approximately 15,000. The estimated number of appraisals per respondent is estimated to be 80 per year.

Agency Form Numbers, if applicable: Forms HUD-92563, HUD-92564-VC, HUD-92564-HS, and HUD-92564-CN.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated number of respondents is 15,000 for the Valuation Condition Sheet, HUD-92564-VC (80 responses per respondent, .30 minutes per response), 15,000 for the Homebuyer Summary, HUD-92564-HS, (80 responses per respondent, .10 minutes per response), and 50,000 for the Application for Fee

Personnel Designation, HUD-92563 (1 response per respondents, .50 minutes per response); the frequency of response is one-time for acceptance to the approval roster list. The total annual burden hours are estimated at 505,000.

Status of the proposed information collection: Revision of a currently approved submission.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: September 22, 1999.

William C. Apgar,

Assistant Secretary for Housing-Federal Housing Commissioner.
