[Docket No. RP96-312-020]

Tennessee Gas Pipeline Company; Notice of Negotiated Rate and Material Deviation Filing

September 23, 1999.

Take notice that on September 20, 1999, Tennessee Gas Pipeline Company (Tennessee) tendered for filing three firm service agreements and amendments thereto and a description of the essential conditions involved in agreeing to three (3) negotiated arrangements to be effective on November 1, 1999 and four (4) negotiated rate arrangements to be effective on November 2, 2000 (collectively, the Negotiated Rate Arrangements). Tennessee states that three of the amendments to the firm service agreements are being filed as non-conforming service agreements. Tennessee also filed Seventh Revised Sheet No. 413 Tennessee's FERC Gas Tariff, Fifth Revised Volume No. 1.

Tennessee states that the tariff sheet references the three amendments as non-conforming service agreements. Tennessee requests that the Commission approve the Negotiated Rate Arrangements by October 15, 1999 to be effective on November 1, 1999 and

November 2, 2000, as applicable.

Tennessee requests that the Commission approve the non-conforming service agreements and the tariff sheet by October 15, 1999 to be effective on November 1, 1999.

Tennessee states that the filed Negotiated Rate Arrangements reflect negotiated rates between Tennessee and the Berkshire Gas Company (Berkshire) for transportation and storage service, as applicable, under various firm transportation and storage service agreements for four (4) or five (5) year periods with each to be effective beginning November 1, 1999 or November 2, 2000.

In addition, Tennessee states that it is filing the three amendments as non-conforming service agreements pursuant to Section 154.1(d) of the Commission's Regulations because the three amendments contain provisions which may "deviate in [a] material aspect" from Tennessee's pro forma firm service agreements.

Tennessee states that copies of the filing have been mailed to all of Tennessee's customers and affected state regulatory commissions.

Any person desiring to protest such filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before September 30, 1999. Protests will be considered by the Commission to determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
