

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-41886; File No. SR-NYSE-99-36]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the New York Stock Exchange, Inc. To Eliminate the Series 7B Qualification Examination and Adopt a New Interpretation to Rule 345 ("Employees—Registration, Approval, Records")

September 20, 1999.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 31, 1999, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NYSE proposes to amend the interpretation of its Rule 345.15 ("Employees—Registration, Approval, Records")³ by eliminating the Series 7B Qualification Examination and establishing the Series 7A Examination as the appropriate qualification examination for Exchange Floor clerks who wish to conduct a limited public business with professional customers. The proposed amendment would establish the Trading Assistant Examination ("Series 25") as a prerequisite for the Series 7A Examination. The text of the proposed rule change is available at the NYSE, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NYSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The NYSE has

prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, Floor clerks who want to conduct a limited public business with professional customers (e.g., banks, insurance companies, and other persons included in the definition of "professional customer" found in the written interpretation to Exchange Rule 345.15) must first pass the Series 7B Examination or the General Securities Representative ("Series 7") Examination. Floor members who want to conduct a securities business with professional customers must first pass the Series 7A Examination or the Series 7 Examination.

The Series 7A and Series 7B qualification examinations were implemented in 1993⁴ and 1994⁵ respectively to serve as alternative qualification exams to the Series 7 Examination because the level of knowledge required to conduct a professional public business limited to transactions in listed securities on the Exchange Floor is narrower than that needed to conduct a general public business with retail customers.

The Series 7A and Series 7B Examinations are identical except for an additional 25 questions on the Series 7B which address Exchange Floor rules and policies. The additional 25 questions were added to ensure that Floor clerks have a basic understanding of Exchange trading rules and the underlying principles of the auction market. However, the recently implemented NYSE Trading Assistant Examination ("Series 25")⁶ now serves this purpose, and serves it more effectively because of its broader topic coverage and greater length.

Given that Floor clerks are currently required to take and pass the Series 25, candidates are tested twice on certain topics. Therefore, it is proposed that the Series 7B Examination be eliminated. In addition, it is proposed that the written interpretation to Rule 345.15 be amended to establish the Series 7A Examination as the appropriate qualification examination for both Floor members and Floor clerks who wish to

conduct a limited public business with professional customers.

Further, it is proposed that the interpretation be amended to establish the Series 25 Examination as a prerequisite for Floor clerks seeking to take the Series 7A Examination. The Series 15 Examination remains a prerequisite to the Series 7A Examination for Floor members.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of Section 6(c)(3)(B) of the Act.⁷ Under that Section, it is the Exchange's responsibility to prescribe standards of training, experience and competence for persons associated with Exchange members and member organizations.

In addition, under Section 6(c)(3)(B) of the Act,⁸ the Exchange may bar a natural person from becoming a member or person associated with a member, if such natural person does not meet such standards of training, experience and competence as are prescribed by the rules of the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

A. By order approve the proposed rule change, or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.
