

regulated under this subpart, and this information is being collected to assure compliance with 40 CFR part 60, subpart WW.

Owners or operators of the affected facilities described must make initial reports when a source becomes subject, conduct and report on a performance test, demonstrate and report on continuous monitor performance, and maintain records of the occurrence and duration of any startup, shutdown, or malfunction in the operation of an affected facility. Semiannual reports of excess emissions are required. These notifications, reports, and records are essential in determining compliance; and are required, in general, of all sources subject to NSPS.

Any owner or operator subject to the provisions of this part shall maintain a file of these measurements, and retain the file for at least 2 years following the date of such measurements, maintenance reports, and records. The estimated total cost of this ICR will be \$370,767 over the next three years (including labor hours, operating & maintenance costs, and start up costs; \$123,589 × 3 years). All reports are sent to the delegated State or Local authority. In the event that there is no such delegated authority, the reports are sent directly to the EPA Regional Office. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR Chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on January 1, 1999; no comments were received.

Burden Statement: The annual public reporting and record keeping burden for this collection of information is estimated to average 29 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of

information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Owners/Operators of the Beverage can Surface Coating Industry.

Estimated Number of Respondents: 24.

Frequency of Response: Initial, Quarterly, and Semiannual Reports.

Estimated Total Annual Hour Burden: 3,092 hours.

Estimated Total Annualized Capital, O&M Cost Burden: \$50,000

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No. 0663.07, and OMB Control No. 2060-0001 in any correspondence.

National Drinking Water Advisory Council; Request for Nominations

AGENCY: Environmental Protection Agency.

ACTION: Request for nominations.

SUMMARY: The U.S. Environmental Protection Agency (EPA) invites all interested persons to nominate qualified individuals to serve a three-year term as members of the National Drinking Water Advisory Council. This Advisory Council was established to provide practical and independent advice, consultation and recommendations to the Agency on the activities, functions and policies related to the implementation of the Safe Drinking Water Act as amended. The Council consists of fifteen members, including a Chair. Five members represent the general public; five members represent

appropriate state and local agencies concerned with water hygiene and public water supply; and five members represent private organizations or groups demonstrating an active interest in the field of water hygiene and public water supply. On December 15 of each year, five members complete their appointment. Therefore, this notice solicits names to fill these five vacancies, with appointed terms ending on December 15, 2002.

Any interested person or organization may nominate qualified individuals for membership. Nominees should be identified by name, occupation, position, address and telephone number. To be considered, all nominations must include a current resume providing the nominee's background, experience and qualifications.

Persons selected for membership will receive compensation for travel and a nominal daily compensation while attending meetings. The Council holds two face to face meetings each year, generally in the Spring and Fall. Additionally, members could be asked to serve on one of the Council's working groups that are formed to assist the EPA in major program issue development. Working group meetings are held approximately four times a year, with two of the meetings conducted by conference call.

Nominations should be submitted to Charlene E. Shaw, Designated Federal Officer, National Drinking Water Advisory Council, U.S. Environmental Protection Agency, Office of Ground Water and Drinking Water (4601), 401 M Street, SW., Washington, DC 20460, no later than October 22, 1999. The Agency will not formally acknowledge or respond to nominations. E-Mail your questions to shaw.charlene@epamail.epa.gov or call 202/260-2285.

Dated: September 23, 1999.

Elizabeth Fellows,

Acting Director, Office of Ground Water and Drinking Water.
