7. Aetna informed the Department that it has applied for and is in the process of obtaining authority to establish and operate a federally chartered savings bank (the Savings Bank). If approved, the Savings Bank may establish and operate certain collective investment funds or group trusts or single customer trust accounts on behalf of plans covered by the Act. Aetna would like to ensure that relief provided by the exemption will extend to plans that invest in a trust maintained by the Savings Bank on the same terms and conditions that would apply, if the plan had invested in a trust maintained by Aeltus. Accordingly, Aetna proposes that the Department revise Section IV(a), as published in the Notice (64 FR 25918, column 2, line 55-56), to read as follows:

Aeltus means the Aeltus Trust Company, or any other financial institution supervised under state or federal laws and affiliated with Aetna.

The Department concurs and has incorporated the requested language into Section IV(a) of the exemption.

After giving full consideration to the entire record, including the written comments from the applicant, the Department has decided to grant the

exemption, as described, amended, and concurred in above. In this regard, the comment letters submitted by the applicant to the Department has been included as part of the public record of the exemption application. The complete application file, including all supplemental submissions received by the Department, is made available for public inspection in the Public Documents Room of the Pension Welfare Benefits Administration, Room N-5638, U. S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210.

For a more complete statement of the facts and representations supporting the Department's decision to grant this exemption refer to the Notice published on May 13, 1999, at 64 FR 25916.

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions to which the exemptions does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(B) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) These exemptions are supplemental to and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transactional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(3) The availability of these exemptions is subject to the express condition that the material facts and representations contained in each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 21st day of September, 1999.

Ivan Strasfeld,

Director of Exemption Determinations, Pension and Welfare Benefits Administration, Department of Labor.
