FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested

September 23, 1999.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before November 29, 1999. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications

Session closed-exempt pursuant to 5 U.S.C. 552b(c)(8) and (9).

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0107.

Title: Private Radio Application for Renewal, Reinstatement and/or Notification of Change to License information.

Form Number: FCC 405A.

Type of Review: Revision of a currently approved collection.

Respondents: Businesses or other for-profit; Small businesses or organizations; Individuals or households; State or Local Governments; Non-profit institutions.

Number of Respondents: 1,500.

Estimated Time Per Response: .33 hour.

Total Annual Burden: 495 hours.

Needs and Uses: FCC Rules require that radio station licensees renew their PRMS (Private Mobile Radio Service) radio station authorization every five years or their CMRS (Commercial Mobile Radio Service) radio station authorization every ten years. Data is used to update the existing database and make efficient use of the frequency spectrum. Data is also used by Compliance personnel in conjunction with Field Engineers for enforcement and interference resolutions.

The data collected is required by the Communications Act of 1934, as amended; International Treaties and FCC Rules 47 CFR Parts 1.926, 90.119, 90.135, and 90.157.

The form has been revised to delete the requirement to provide payment information. FCC Form 159 (Fee Remittance Advice) is required to be filed with any feeable Form 405A and applicants must provide payment information thereon. The collection is being revised to delete reference in General Mobile Radio Service use of the form. This radio service has been converted to ULS and will no longer use this form. This program change resulted in a reduction in the number of respondents from 2,700 to 1,500 and total burden hours from 891 to 495 hours. Total respondent cost is \$80,000.

OMB Approval Number: 3060-0127.

Title: Assignment of Authorization.
