Important: Applicants must attach supporting documents to their DD Form 2168 application. Of primary importance will be any employment records from the Operational Analysis Group of the Office of Scientific Research and Development, Office of Emergency Management. Other supporting documentation might include copies of passports with appropriate entries, military or civilian orders posting the applicant to an overseas assignment, reports signed by or mentioning the work of the applicant at the Operational Analysis unit overseas, Army Air Force (AAF) Identification Forms 133, any personal employment records such as commendations regarding performance, employee expense reports of charges to AAF contracts, medical certifications prior to departure from the U.S., AAF passes to leave the limits of an overseas base, miscellaneous AAF papers, etc. Additionally, the overseas Operational Analysis unit chief may provide written confirmation for the service of other members in his unit.

Applicants having difficulty establishing all of the eligibility criteria mentioned above, should recognize the nature and character of documents addressing each criteria need not be the same. For example, an applicant may establish employment with the Operational Analysis Group of the Office of Scientific Research and Development through official employment records, but find that proving assignment to an Army Air Force field force or command outside the continental United States more difficult. In such a case, an applicant may be able to prove assignment and service at that location through other evidence, such as, dated, postmarked (or other sign of authenticity) correspondence (official or personal) to or from the applicant at that assignment outside the United States.

Upon confirmation of an applicant's eligibility, the DD Form 214 will be passed from AFPC/DPPRP to the Awards and Decorations office to determine which ribbons the applicant is eligible to receive (campaign ribbons, theater ribbons, victory medal, etc.). Specific awards (*i.e.*, Silver Star, Purple Heart, etc.) need separate justification detailing the act, achievement, or service believed to warrant the appropriate medal/ribbon. DD Forms

2168 are available from VA offices or from the U.S. Air Force offices in this notice. An electronic version is also available in Adobe Acrobat (the reader is free) on the Internet at "DefenseLINK, publications."
