

(Koch) tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, First Revised Sheet No. 1415, and Original Sheet No. 1416, to become effective October 22, 1999.

The proposed tariff sheets were filed to make revisions to Koch's tariff with respect to the generic types of rate discounts that may be granted. Specifically, the proposed tariff revisions include a new Section 7.7(a) of the General Terms and Conditions that specifies the types of transportation discounts that will not constitute material deviations to Koch's proforma transportation agreements. The proposed tariff provision will be applicable only to Koch's FT, IT and NNS rate schedules.

In accordance with Section 154.208 of the Commission's Regulations, copies of this filing have been served upon Koch's customers, state commissions and other interested parties. In addition, copies of the instant filing are available during regular business hours for public inspection in Koch's offices in Houston, Texas.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
